MOVES ALREADY MADE

WHAT HAVE WE BEEN UP TO?

Tobi Crosbie, Founder and Managing Director

The first quarter of 2017 has been a busy time for the team at Making Moves. The market continues to move in favour of the Tenant and we are predicting this will continue throughout the year.

CONGRATULATIONS to Profusion, Kempen & Co and ComRes who, amongst other clients, have all secured their offices this quarter through Making Moves.

In addition, we have also just launched our new client pages on our website, which includes a selection of case studies of moves we have made so far!

LONDON HOTSPOT- SHOREDITCH

Shoreditch, a well-known hub for start up's, tech companies and hipsters, but also one of our favourite London hangouts. We have shortlisted a few of our favourite "under the radar" spots...

1. TT Liquor - You can even try a quinoa-based vodka. Who knew?!
2. Franco's - an Italian cafe and Shoreditch Institution.
3. AIDA - Multi-concept store- coffee shop, clothes and more.
4. Black Rock - an underground whiskey experience.
5. Electric Cinema - cosy armchairs & cocktails anyone?

February 2017 marked the second year in business for Making Moves. It has been a crazy two years but it is safe to say all the hard work has been worth it!

In January, we also moved into our very own new office.
